

Canine Rabbit-Rice Formulation

Ingredients:

Cooked Rice	4 Cups (700 g)
Rabbit Meat (Boiled)	1 Cup (200 g)
VMD – Canine Premix (Vitamin and Micro-mineral)	5 g or 1 teaspoon
Corn Oil	15 g or 1 tablespoon
Calcium Carbonate (or Tums)	5 g or 1 teaspoon

Recipe Directions: This recipe will make approximately 925 g of food with an energy (ME) content of 1.16 Kcal/g or a total of 1073 Kcal. This amount of food and/or energy should be sufficient to maintain the daily energy or food intake of a 20 kg dog (44 lbs). The food should be divided into two equal portions for a morning and an evening meal.
